

NORTH ALLEGHENY RETURN TO SCHOOL

COMMUNICATIONS GUIDANCE

With the safety of our students, staff and families a top priority, the North Allegheny School District will return to school with an abundance of caution to protect everyone’s health and wellbeing. If you experience COVID-19 symptoms or someone has shared that they are experiencing symptoms, below are steps that you can take to ensure we slow the spread.

NORTH ALLEGHENY STAFF

For all employees or contractors of the North Allegheny School District, if you or someone in your household has a confirmed case of COVID-19, we are asking that you report the case to your immediate supervisor.

For all employees or contractors of the North Allegheny School District, if you are displaying symptoms of COVID-19, we are asking that you report the case to your immediate supervisor and stay home.

Supervisors should report the case to their school nurse/Mrs. Bilenski for tracking purposes.

Supervisors for Employees at CAO and Facilities/Transportation should notify Dr. Sciuлло/Mrs. Bilenski.

PARENTS / GUARDIANS

Parents/guardians should notify their student’s building nurse if their student or someone in their student’s household has tested or is considered presumed positive for COVID-19.

NA Cyber Academy students do not need to notify a nurse, unless they have been on campus to participate in a sport or an activity.

COMMUNICATIONS

To provide full transparency to our community, the District will update the COVID-19 page on the North Allegheny School District website daily with new confirmed cases. The District will notify parents/guardians via email when their student has been in a classroom, bus, sports team, or activity with a student or staff member who has tested positive for COVID-19 or attends a school in which someone has tested positive for COVID-19. For additional information, visit the North Allegheny Return to School website: NorthAllegheny.org/ReturnToSchool. If you have questions or concerns, please contact Dr. Sciuлло or Mrs. Bilenski.
