North Allegheny Physical Education 2019 Pump House Run

Dear Potential Sponsor,

The North Allegheny Physical Education Department is proud to host the 19th annual Pump House Run on Saturday, May 18th 2019. The Pump House run will include 4 separate races; 5k (3.1miles), 1 mile run/walk, ½ mile run, and the 50 yard dash. This race is open to any and all interested participants. The ½ mile run is limited to participants ages 9 and under and the 50 yard dash is for preschoolers. Our goals are to encourage family fitness and raise funds for the North Allegheny Physical Education Department. Funds raised will be used to create innovative health and fitness programs for North Allegheny students.

We need your help to make this event a success and continue an NA tradition! Your contribution will directly benefit the North Allegheny Physical Education Department's ability to provide resources and fitness equipment that will improve our student's quality of life.

Sponsorship levels are explained in detail on the attached form. Donations of goods or services to enhance the quality of the race and the experience of the participants are also greatly appreciated. Donated items will be issued as courtesies, awards, or door prizes free of charge to race participants. Suggestions include healthy food and drink items to be provided for participants, running/fitness related items, gift certificates, coupons, or anything else that the runners may enjoy.

All donations are tax deductible and a letter of verifying your donation will be provided after the race.

Thank you for your support.

The North Allegheny Health & Physical Education Staff
