Dear Parents/Guardians,

The North Allegheny School District has scheduled the annual District-Wide Curriculum Nights for each of the elementary schools. We would like to extend an invitation to all of our families to join us on these evenings. The staff has worked diligently to prepare an overview of the curriculum your child will be involved with this school year. This is an excellent opportunity to gain further insight into the entire curriculum for your child's grade level, along with classroom routines and procedures.

The evenings have been designated for specific grade levels and are intended for parents only - **children are not to attend**. The school district recognizes that this may be an inconvenience; however, the presentations are designed for the parents/guardians.

The following evenings and times have been assigned to the grade levels:

<b>Grades K &amp; 1</b>	<b>Thursday, August 22<sup>nd</sup></b>	<b>6:30 PM</b>
<b>ESL (All Grades)</b>	<b>Wednesday, September 4<sup>th</sup></b>	<b>6:00 PM</b>
<b>GOAL (All Grades)</b>	<b>Wednesday, September 4<sup>th</sup></b>	<b>6:00 PM</b>
<b>Grades 2 &amp; 3</b>	<b>Wednesday, September 4<sup>th</sup></b>	<b>6:30 PM</b>
<b>Grades 4 &amp; 5</b>	<b>Thursday, September 5<sup>th</sup></b>	<b>6:30 PM</b>

The presentations will take place in your child's homeroom beginning promptly at 6:30 PM. Sign-up sheets for November Parent/Teacher conferences will be available online. Teachers will discuss how to sign-up for conferences during their presentations. The fifth grade presentation will also include an information session on Camp Kon-O-Kwee, which will start at 7:30 PM in the cafeteria at the conclusion of the classroom presentations.

Please see the chart on the back of this page for a listing of the evenings when our special area and support team teachers will be in attendance for the Curriculum Night presentations.

The staff at Marshall Elementary is looking forward to seeing you.

Sincerely,

Marc E. Thornton, Ed.D.  
Principal

Ms. Rachel Fields  
Assistant Principal
