2018-2019 North Allegheny Foundation Financial Report
*Enhancing and enriching
the education of North Allegheny Students*

Letter from the Executive Director

Abigayle Tobia
Executive Director

Dear Friends,

Thank you for being a part of the important work to enrich and enhance the educational experiences of all North Allegheny students. Because of you, we have continued expanding grants for NA Teachers and schools while supporting our students who are facing financial hardships and homelessness.

2018 brought another great year as the NA Foundation celebrated 30 years of creating opportunities for students to explore, learn and grow in ways that would not otherwise have been possible. The Fund a Project crowdfunding platform directed over \$17,000 of funding directly to programs and ideas of our teachers and students.

The Angel Fund that you so strongly support, distributed over \$6,500 to students needing assistance with lunch balances, school supplies, field trips, clothing, and other basic necessities. I'm excited to share that the NASH Helping Pantry is opening soon for students to access the supplies and support they need throughout the school day.

The NA Foundation continues to build strong partnerships with community and business leaders. We are proud to do this work in a District that receives accolades on the quality of education, diversity of programs and staff engagement in the mission to prepare all students for success in a changing world.

Warmly,

Abigayle M. Tobia, MNM, CFRE

The mission of North Allegheny Foundation is to enhance and enrich the educational experience of North Allegheny students, create vital connections with the wider community in supporting North Allegheny schools, and provide scholarship monies to graduating seniors.

Who We Are and What We Do

North Allegheny Foundation (NAF) is a broad-based community organization founded in 1989. The Foundation is governed by a 23-member Board of Trustees representing a diverse group of community and business leaders who are dedicated to supporting excellence in education. In 30 years, NAF has distributed over \$500,000 in grants to NA Schools and thousands more in scholarships to outstanding graduating seniors.

North Allegheny Foundation pursues its mission and strategic goals through three primary activities:

- **Grant Making:** Distributes funds to North Allegheny teachers, schools, and the District in support of the District's six strategic goals.
- **Connecting:** Builds relationships with community members, parents, alumni, and business leaders in support of the Foundation's mission.
- **Scholarships:** Provides scholarships to exceptional students graduating from North Allegheny High School. The Foundation also facilitates scholarships through donor-restricted scholarships and community partnerships.

The Marching Band proudly represents NA at over 50 events each year. New instruments and equipment were made possible through a grant from the NA Foundation!

Angel Funds

For some students, lunch is the most important meal. Even with state support of the Free and Reduced lunch program, many families are caught in paperwork delays before their children are approved for reduced-price lunch. North Allegheny Alumni and Donors paid the lunch balances for students in need because no parent should have to worry about affording school lunch. Angel funds were used to pay off \$4,345 in past due lunch balances, plus \$2,323 was used to provide clothing, testing fees, and field trips for students facing financial hardships.
