

## JOSEPH K. WISSINGER MEMORIAL BIOLOGY/SCIENCE SCHOLARSHIP

Joseph Wissinger served as a Science and Biology Teacher in the North Allegheny School District from 1953-1986 and for four of those years Mr. Wissinger was the science coordinator for the school district. Over those 33 years he received many awards and accolades for the devotion to his students and his teaching skills. The greatest reward came back to Mr. Wissinger from many former students who wrote letters to him periodically writing that he had made such an impact on their lives and subsequent futures through his teachings.

As a living memorial to Joseph Wissinger, his family wanted to establish a scholarship by providing financial assistance to a graduating North Allegheny student who has a commitment in pursuing a career as a middle/high school teacher in the field of Science or Biology or a commitment to helping others in the medical field. The family looks forward to communicating with the recipient through their college career as Mr. Wissinger's legacy lives on in the student's future endeavors in the field of Science.

The Wissinger Family is offering a **\$1,000.00 Scholarship** to a North Allegheny student who demonstrates the following criteria:

1. A desire to become a high school teacher in the field of Biology/Science or work in the medical field
2. A Grade Point Average (GPA) of 3.5 or higher
3. An interest in pursuing a four-year college or university
