

# General Information

## Plan Ahead Sheet

*While the District strongly encourages students to explore a broad range of course offerings in their high school experience, it is also important to communicate the potential for more specific career exploration and preparation. All students at North Allegheny will utilize the Naviance Student program to identify career interests. Some of the college major and/or career opportunities from these tools are organized in the following clusters: Science & Technology Careers; Arts Careers; Social Service Careers; Technical Careers; and Administration & Sales Careers. If students have a strong interest in one of these areas, then they should refer to the Career Clusters document on page 12 and/or contact their School Counselors for further discussion about important required and elective course selections.*

**Students should use the chart below to plan to meet the required credits for graduation and the elective courses that will help them reach their career goals.**

Subject Field	9	10	11	12
English
