These programs were arranged & made possible by the K-12 Teachers Alliance in cooperation with Point Park University.

*The repayment example set forth above is for illustrative purposes only and was calculated based on a standard amortization Federal Direct Loan assuming a loan amount of \$17,670, a payment term of 10 years, and a fixed interest rate equal to 7.05%. Loan amount of \$17,670 is based on the total tuition price for the 2023-2024 academic year for the M.Ed. in Learning, Design, and Technology program. Tuition is subject to increase for the fall 2024 semester. Your total loan amount may vary based on program selection. The loan calculator used in this example is available at <http://studentloans.gov>. It is your responsibility to verify your eligibility by completing the Free Application for Federal Student Aid at www.fafsa.ed.gov. All loans are subject to federal student aid guidelines. The actual interest rate may change periodically based on federal regulations. Tuition includes a 25% discount when compared to non-education graduate programs.
