

SALTWORKS THEATRE COMPANY

Saltworks Young Actors Studio is a place to learn about acting among supportive friends. Our philosophy is “**process over product**” which means that we value the individual journey and the success of each student to achieve new goals more than the final production. **Actors of all levels of experience are welcome** and encouraged to grow and learn at their own pace. Our teachers are theater professionals with a heart for education and a commitment to see each student succeed.

Everybody Onstage!

Open to student actors of ALL experience levels, we will cover a wide range of topics that will serve as both an excellent introduction to or review of acting. In our age specific morning and afternoon sessions, students will be introduced to new theatrical skills each day such as theater games, improv, Shakespeare, playwriting, character development, and new works created together. Join us to develop your actor instincts, build confidence, and learn to create scenes and characters using the best acting tool available – your imagination!
