Calling All Future Baseball & Softball Stars!

We offer a place to play youth baseball and softball for ages 3 and up. Our goal is to teach our players lessons that can be carried out not just on the diamond but for the rest of their lives.

Why Join Us?

Our experienced and knowledgeable volunteer coaches are dedicated to providing an organized and fun environment while teaching the fundamentals of baseball and softball.

Baseball and softball games are played at our Vincentian Athletic Complex on Peebles Road behind the former Vincentian Academy, which includes six fields. Our complex allows youth ball players of all ages to play games in close proximity to each other. This is great for families with baseball and softball players of many different ages.
