# HackHERthon

POWERING PROGRESS.  
SHAPING TOMORROW.

**WHAT:** HackHERthon is a girl and non-binary only hackathon designed to promote gender equality within the computer science field.

**WHEN:** April 5th, 2025 from 9 AM - 1 PM

**WHERE:** North Allegheny Intermediate Cafeteria

**WHY:** We aim to break stereotypes associated with computer science in an attempt to further female participation in the computer science field.

**WHO:** Only North Allegheny middle school and high school students are allowed to attend!
