WINTER FLASH CLASS DISMISSAL CHANGES

We are so thrilled to have so many opportunities for after-school classes for our students, and we are even more excited that so many students are taking advantage of them! After our first week of Winter FLASH classes, we need to make some changes to the dismissal procedure and process, to ensure that everyone can safely be dismissed in a timely manner. Please reference each after-school class that your child attends and the location where they will be dismissed from on page 2. Directions and links are provided below.

Directions Based Upon Dismissal Door:

Front Entrance -

Please get out of your car with your pick-up number in hand, and stand at the front main school door. Staff will then dismiss your child from the front entrance.

Please choose any of the options below to park your car,
if your child is being dismissed at the front entrance

- Option 1. Please pull up in the front circle in front of the building (one row only).
- Option 2. Front Parking Lot.
- Option 3. Army Reserve Lot.

[LINK to Reference](#)

Gym Entrance - Please follow the walker-pick up and morning drop-off route on the side of the school building. Please do not double park, not allowing anyone to pass through. [LINK to Route](#)

If you are picking up more than one child and they are being dismissed to different entrances, please park in one of the front entrance parking options, pick up your child from the main entrance and then walk to the gym entrance. Staff will dismiss your other child from that door.

Hosack Staff and Volunteers will be outside to help and guide you when you arrive. If possible, please do not arrive earlier than 4:25pm, to help manage parking, allow time for students to be ready for dismissal, and hopefully to eliminate any prolonged waiting.

Thank You for your support and attention to these new procedures.

Carla Hudson
Principal

Mondays	
<u>Class</u>	<u>Dismissal Location</u>
