2016-2017 STUDENT/PARENT HANDBOOK

North Allegheny Senior High School

A MESSAGE TO YOU

Dear Student:

Welcome to North Allegheny Senior High! You are now enrolled in one of our nation's most respected high schools. NASH's National and State recognition is the result of excellent educational opportunities and the diligent efforts of students and staff. High academic standards and clearly stated policies that are consistently enforced are critically linked to our successful tradition here at NASH. Thus, together, we are inextricably responsible for maintaining these standards.

More specifically, you are expected to demonstrate the following behaviors on a daily basis: regular school attendance, punctuality to class and rigorous effort in all subject areas. The District's Code of Conduct can be found online and is printed as part of the NA Activities Calendar. Since the NASD Code of Conduct was designed to promote the most appropriate learning climate for you and will be strictly enforced, we urge you to review it thoroughly.

In addition, The Bill of Rights and Responsibilities that appears in the Conduct Information section of this handbook was adopted to help students and staff members better understand their roles in creating a positive learning climate that will enable each person at North Allegheny Senior High School to live his/her life to its fullest.

Once again, welcome—we eagerly await your arrival and contribution! We wish everyone a very positive and successful year.

Good Luck!

The NASH Administrative Team

ELECTRONIC DEVICES

The North Allegheny School District recognizes that the appropriate use of electronic devices can provide great potential for enhanced learning opportunities for all students. However, there are many other uses of electronic devices which can distract from the learning process or otherwise violate the rights of students; thus the use of electronic devices for legitimate educational purposes is permitted, only under the direction of the classroom teacher with approval from the building administration and in accordance with North Allegheny School District's Code of Conduct.

Electronic devices shall include all devices that can take photographs; record audio or video data; store, transmit or receive messages, data, or images; or provide a wireless, unfiltered connection to the Internet. Examples of these electronic devices include, but shall not be limited to, iPods, MP3 players, DVD players, handheld game consoles, personal digital assistants (PDAs), cellular phones, smart phones, laptops or other student-owned computers, radios, as well as any new technology developed with similar capabilities of data storage or transmission.

The District is not liable for the loss, damage or misuse of an electronic device brought to school by a student.

Appropriate use of electronic devices shall include any use of such devices for educational purposes, such as educational research, which is specifically authorized by a classroom teacher with approval from the NASH Administrative Team. Any use of electronic devices that leads to the disruption of the educational process or violates the rights of individual students, is a violation of the NASD's Code of Conduct and will result in the appropriate disciplinary consequence, loss of privileges, and confiscation of the electronic device. Inappropriate use of these devices includes, but is not limited to the following examples:

- Placing and/or receiving a call, text message, or other communication during instructional time (classroom instruction, study halls, and gymnasiums).
- The use of electronic devices in locker rooms or rest rooms.
- Using any application on an electronic device which is not directly relevant to the instruction in the classroom and authorized by the classroom teacher.
- Taking, storing, disseminating, transferring, viewing or sharing of obscene, pornographic, lewd, inappropriate, unauthorized, or otherwise illegal images or photographs, whether by electronic data transfer or other means, including but not limited to texting and emailing.
- Using any electronic device for purposes which are in direct violation of other provisions within NASD's Code of Conduct, such as bullying, cyber-bullying, cheating or otherwise violating academic integrity, or harassing or intimidating students or staff members.

The District shall enforce these provisions of the NASD's Code of Conduct regarding electronic devices on school grounds, District-operated school buses and other conveyances, and during any District-sponsored activities, whether or not occurring on school grounds. Such prohibited activity shall also apply to student conduct that occurs off school property if the prohibited conduct is (a) directed at another student or students, is (b) severe, persistent, or pervasive, and (c) interferes with a student's education, creates a threatening environment, or substantially disrupts orderly operations of school. Such activities are in direct violation of the North Allegheny School Board Policies #3585 and #3640 will result in violators being disciplined accordingly. For additional information concerning the use of electronic devices, please reference the North Allegheny School District Code of Conduct.

CRISIS AND EMERGENCY COMMUNICATIONS

In the event that a need to disseminate emergency or crisis communications to parents and/or students should arise, the North Allegheny School District has a number of communication venues to facilitate this process. These include:

- www.northallegheny.org
- NATV Cable (Armstrong 50, Comcast 98, Consolidated 406, Verizon 33)
- Contacts with the local television and radio stations
- SchoolMessenger

SchoolMessenger is a telephone notification system that will deliver a personalized message to parents and employees in minutes. Since this automated service is web-based, its reliability and availability will not be affected by local power or equipment failures.

In addition, parents will be able to access the Contact Manager feature of this system via the North Allegheny School District website or the internet and establish their own account. This will allow parents to determine which, if any, phone numbers(s) they would like to have messages sent to and/or opt for an email or text alert when they have a new phone message. Parents may choose not to receive SchoolMessenger alerts, if they so desire.

2016-2017 STUDENT/PARENT HANDBOOK

North Allegheny Senior High School

SchoolMessenger will be used exclusively to broadcast weather-related cancellation or delay information, as well as other emergency or crisis-related messages.

DANCE RULES

1. Student behavioral expectations apply to school activities as they do during the school day.
2. Students suspected to be under the influence of drugs and/or alcohol will be addressed according to NASD's Board Policy # 3515.
3. No student will be permitted to re-enter a dance after leaving.
4. No smoking, nicotine, or tobacco possession, or use of any kind. Electronic smoking devices or any type of nicotine delivering device (real or simulated) will not be permitted at school dances.
5. Dances are for North Allegheny students and are not public dances. Guests may attend dances only if a North Allegheny student escorts them and prior approval has been granted by the NASH Administrative Team.
6. Students must be in attendance at school on the day of the social affair in order to attend.
7. A student may not attend a school sponsored dance while serving an in-school or out-of-school suspension.

DRESS

All students are to be properly groomed and dressed in a neat and clean fashion. Students and their parents are relied upon to use good judgment regarding proper attire for school.

GUIDELINES: The following types of clothing are discouraged:

- Articles which are soiled with grease, oil, paint or dirt.
- Articles that cause damage to other students or property.
- Attire that is torn or ragged.
- Attire that is disruptive to the educational process.
- Attire that is a safety hazard.
- Attire that is overly revealing.
- Inappropriate Footwear

NOTE: Articles displaying indecent writing, indecent pictures or slogans, and allusions to drugs, alcohol, or gangs are prohibited.

EMERGENCY DRILLS/CRISIS SITUATIONS

Emergency drills are conducted for the students' safety and are held periodically. Classroom teachers will issue special instructions that must be followed exactly. Each classroom teacher will instruct students on fire drill procedures for each particular room. Students must report to designated areas and attendance will be taken. In the event of a crisis situation, all students are required to follow instructions provided by the NASH Administrative Team. Students may not go to their cars unless permission is granted. In an evacuation, they must proceed as a student body to the location designated by the NASH Administrative Team.

False alarms are a violation of the Pennsylvania New Crimes Code specifically covered in Chapter 27 - Section 2705 and are addressed accordingly.

EMERGENCY FORMS

Emergency health care forms are distributed to each student at the beginning of each school year. These are to be completed by the parents and must contain the names and current telephone numbers of the persons responsible for granting permission for emergency treatment of the student in case of accident or illness. Each student is required to have their emergency form on file.

State Mandated Services for Senior High Students:

- Pennsylvania School Health Law requires a physical exam in Grade 11. A physical exam completed in Grade 10 does meet this requirement.
- Height, weight, and vision screening is done annually for all students.
- Hearing screening is conducted in Grade 11 and annually for all special education students.
- Health screening information can be viewed via the Tyler Parent Portal.

2016-2017 STUDENT/PARENT HANDBOOK

North Allegheny Senior High School

Parent/guardian may obtain exemption from these services for moral or religious beliefs by contacting the certified school nurse.

A child may be exempt from these requirements for medical reasons with written documentation from their physician. They may be exempt for religious or moral beliefs with a written statement from the parent or guardian.

Health Room Protocol:

Students with emergency needs should report immediately to the health office. All other students will be admitted to the health office by the following procedure:

- Obtain a pass from the classroom teacher and report directly to the nurse's office. If a student feels ill at the close of a class period, he/she should report to the next class and ask for a pass from that teacher. Failure to receive this written permission from the classroom teacher will be considered class cutting.
- The student will be permitted to stay in the health office no longer than one period. If the illness is prolonged or the temperature is 100 degrees or more, the student will be sent home.
- When a student is evaluated in the health office and it is determined they should go home, the health office personnel will notify the parent/guardian. A parent/guardian must give permission for a student to drive home, or make arrangements for pick up.
- Students who notify their parents for pick up on their own (cell phone or text message) must be dismissed via an early dismissal by the parent. They will not be dismissed from the health office.

2016-2017 STUDENT/PARENT HANDBOOK

North Allegheny Senior High School

Medication:

Every effort should be made to give medication at home. The parent or guardian will assume full responsibility for any medication sent into school.

- A parent/guardian must complete a “Parental Medicine Permission Form” for each medication to be taken in school. Forms are available online.
- All medication must have written authorization from the Licensed Prescriber.
- All medication is to be in its original labeled container.

Students are not permitted to carry prescription and non-prescription medication while at school unless written documentation from parent and physician is on file in the health office. This policy has been adopted to curtail indiscriminate self-medication, sharing of medication between students, and general control of all drugs in the student population.

HAZING

The purpose of North Allegheny School Board Policy #3580 is to maintain a safe, positive environment for students and staff that is free from hazing. Hazing activities of any type are inconsistent with the educational goals of the District and are prohibited at all times.

For purposes of this policy, hazing is defined by the North Allegheny School Board as any activity that recklessly or intentionally endangers mental health, physical health or safety of a student for the purpose of initiation or membership in, or affiliation with, any organization.

This policy prohibits any form of initiation or harassment, known as hazing, as part of any school-sponsored student activity. No student, coach, sponsor, volunteer or District employee shall plan, direct, encourage, assist or engage in any hazing activity.

This policy directs that no administrator, coach, sponsor, volunteer or District employee shall permit, condone or tolerate any form of hazing. Infractions of this policy can result in progressive discipline.

INSURANCE

At the beginning of each school year students may purchase a student accident insurance policy for a nominal fee. Any student wishing to participate in any varsity sport must file proof that he/she is currently enrolled in the student accident insurance program before being permitted to participate in formal practice sessions.

LIBRARY

The library will be open between the hours of 6:30 am and 4:00 pm. Students may work in the library and borrow materials between these hours. Students must have a study hall or a research pass to come to the library during the school day.

- When entering the library a student is expected to “stamp in” his/her pass and leave it on the counter. The pass must be “stamped out” when leaving the library at the end of the period.
- Students may visit the library from study hall, from class, or from lunch. Any teacher the student has for class may issue a research pass when library work has been assigned. Study hall passes are issued by the library staff only.
- Books and magazines may be borrowed for two weeks and reference materials overnight.
- Individual instruction how to use library equipment, on-line databases, indexes, and reference sources will be provided upon request.

North Allegheny Senior High School

LOCKERS

Each student is assigned a school locker and may only use their assigned locker.

Students are provided a combination for their locker. This combination is confidential to provide security. Additional locks are not to be attached to lockers.

Students must provide their own locks for gym lockers. NASD is not responsible for lost or stolen items.

Student lockers are owned by NASD and loaned to students for their convenience. The school exercises exclusive control over lockers and a student should not expect privacy regarding items placed in a locker because lockers are subject to search at any time by school officials.

The school will not be responsible for any article left in the locker after the last day of school.

LOST AND FOUND

Anyone finding personal or school items should take them to NASH's main office. Unclaimed personal belongings will be displayed. Remaining items at the end of the school year will be donated to worthwhile causes or discarded.

NORTH ALLEGHENY SCHOLARSHIPS

North Allegheny scholarships are awarded each year to seniors who are in good standing scholastically, have participated in various activities and have a financial need. The amount of these pre-tuition scholarships is one thousand dollars, payable directly to the recipient and parent/guardian. The number of scholarships awarded is dependent upon the amount of funds collected each year. Community members, parents, NASD employees, friends, families, local organizations, and businesses may contribute to this scholarship fund. Their support is greatly appreciated. Information on other scholarships and financial aid can be obtained from the School Counseling Office.

OBLIGATION TO THE SCHOOL FOR LOST OR DAMAGED ITEMS / STUDENT DEBTS

Students are responsible for all items assigned to them and will be required to make payment for anything lost; texts, library books, other school materials, and fund raising items. Students are also responsible for book repairs, book rebinding, or any damages of school property resulting from misuse or vandalism. Students must also pay all outstanding cafeteria debts. Failure to pay any debts or obligations will result in social probation, loss of parking/driving privileges and holding the student's report card until such debts or obligations are paid. Seniors with unpaid obligations will not be permitted to participate in the graduation ceremony or receive their diploma.

PARKING, DRIVING, RIDING REGULATIONS

The NASH Administrative Team expects all parents and students to read and comply with all rules and regulations if they choose not to use district provided transportation.

NASD will revoke driving/riding privileges for any irresponsible behavior.

NASD is not responsible for accidents or vandalism in the parking lot. There are no warnings given for infractions.

PROCEDURES FOR OBTAINING A PERMIT

Students must be accompanied by a parent/guardian when applying for a permit and must bring a current driver's license and registration card for each vehicle to be registered.

Cost of parking permit: \$100.00.

REGULATIONS:

1. All student vehicles must be registered. The permit must be clearly displayed on the rear view mirror while entering and while parked on school grounds.
2. Interchanging permits with other students is prohibited.
3. Permission for riders will be the responsibility of the drivers' and riders' parents. Each rider must be properly seat-belted.

2016-2017 STUDENT/PARENT HANDBOOK
North Allegheny Senior High School

5. Students must drive safely (a 15 mph speed limit sign is posted on school grounds) and must obey all traffic signs. No students are permitted to enter or exit parking lots by rear of school roadway or immediately in front of the school from 6:30 am to 2:45 pm during a regular school day.
6. Students must park their cars between white lines in the parking lot at the south end of the building, or in the tennis court parking lot. Regardless of circumstances (inclement weather, etc.), students may not park their cars in irregular parking patterns, in the red zones, or in handicap spaces.
7. Students are not allowed to be in the parking lot at any time during the school day without written authorization from an administrator. Hall passes may not be used for the parking lot.
8. Traffic congestion or car trouble that results in tardiness or absenteeism is not an excused absence.
9. Any behavior involving student drivers or riders that threaten the security or safety of students and vehicles will be addressed by an administrator.
10. Students' cars may not be moved from one parking spot to another during the school day without authorization.
11. Students are requested not to drive during inclement weather.
12. Driving privileges can be revoked at the discretion of the NASH Administrative Team at any time.
13. Daily permits are available (at a cost of \$1.00) with written permission from a parent/guardian, and by reporting to the office to record name, date, license #, and make of car. A one-day permit will be issued and must be displayed on the rear view mirror of the vehicle. Students are still required to be in first period class on time.
14. Any unauthorized/unregistered vehicles can/will be towed or detained at the owner's expense.
15. Student drivers must yield to the right of way to school buses and pedestrians.
16. Students may only drive vehicles that are registered by the school under their name. Students may not drive another student's vehicle on school property.

18. Any student turning left into the tennis court entrance from Route 19, or turning left from the tennis court entrance onto Route 19 will lose their driving privilege for 90 days. This major safety violation will afford no opportunity to pay a fine in lieu of losing driving privileges for 90 days.

Minor Offenses - Parking in red zones; parking in yellow zones; parking in the roadway; parking in handicap spaces; parking in teacher/staff designated spots; careless moving violations; # of riders exceeding # of seat belts; driving another student's registered vehicle or allowing another student to drive own vehicle on school property; not displaying a one day permit.

2016-2017 STUDENT/PARENT HANDBOOK

North Allegheny Senior High School

If a student drives during a driving suspension, he/she will earn a three-day in-school suspension assignment, loss of driving privileges for the remainder of the year, and possible towing expenses. All subsequent attempts to drive to school during the time of driving suspension will result in an in-school suspension and/or full suspension from school. Infractions of NASD policies associated with the privilege of driving will result in the revocation of driving privileges.

According to the North Allegheny School District Code of Conduct and school policy, school officials may conduct a reasonable search of a student's vehicle in the interest of the welfare and safety of our students. Students should not expect privacy of items placed in their vehicles as random searches of the parking lot may be conducted by school officials.

In the event of a crisis situation, all students are required to follow instructions provided by the NASH Administrative Team. Students may not go to their cars unless permission is granted by a principal. In an evacuation, they must proceed as a student body to the location designated by the NASH Administrative Team.

PETS/OTHER ANIMALS

A student who wishes to bring to school a pet or other live creature for a demonstration speech or similar classroom activity must first obtain permission from the NASH Administrative Team.

SCHOOL COUNSELING AND STUDENT ASSISTANCE SERVICES

The services of the school counselors and Student Assistance Coordinator are available to all students at NASH.

The school counselors are available to help students in a number of areas:

1. Academic Development
2. Personal or Social Development
3. Career Development
4. Community Resources
5. Financial Aid Resources

Students are able to schedule an appointment with their counselor using their NA student Google account or by stopping in NASH's School Counseling Office. Email appointment confirmations or hand written appointment passes from the School Counseling Office must be presented to and approved by the teacher prior to any visit to the School Counseling Office. Students who wish to schedule an appointment with their counselors should make every effort to do this during study halls or non-class time. If this is not possible, students must have the approval of their teacher prior to making an appointment.

SCHOOL COUNSELING STUDENT SOFTWARE

North Allegheny is pleased to introduce Family Connection from Naviance, a web-based service designed especially for students and parents. Family Connection is a comprehensive website that students can use to help make decisions about colleges and careers. Through Family Connection, students can search and explore colleges and careers that match their areas of interest. Through Naviance's eDocs, students can request transcripts, school reports, and letters of recommendation while organizing their documents and staying on top of due dates. Finally, students can search for local and national scholarships and sign up to meet college admissions representatives who are visiting NASH.

NASH STUDENT ASSISTANCE

The Student Assistance Program provides additional support resources to students. The Student Assistance Team is comprised of teachers, counselors, nurses, and building administrators to assist students who are experiencing problems which may be interfering with their learning. Students can refer themselves for help, or they can be referred by parents, teachers, or other school personnel.

VISITORS

A student who wants to bring a visitor to school must have a written parent/guardian permission note. Any person who intends to visit the school must obtain permission from the NASH Administrative Team at least one day in advance and must register in the office on the day of his/her visit. In addition, the hosting NA student must obtain the permission of classroom teachers before a visitor may be present in the classroom. All visitors must wear a visitor's badge while in the building.

Under no conditions will visitors' passes be given to students from neighboring schools that are closed while North Allegheny is in session. Students from area schools will not be permitted to visit unless some special educational activity approved by the NASH Administrative Team would warrant their visit. Because of insurance restrictions, visitors may not use NASD provided transportation.

Visitors will not be permitted during the first two weeks of school, or the last two weeks of school.

WORK PERMITS

Employment certificates for minors (person under 18 years of age and not having graduated from high school) are issued at the North Allegheny Senior High School.

The applicant must present his/her birth certificate, passport, baptismal certificate or other certified evidence of age when applying for an employment certificate. Other information concerning employment certificates is available by visiting the main office reception desk at the senior high school, Monday through Friday, between the hours of 8:00 am and 3:00 pm.

ACADEMIC INFORMATION Our Major Focus!

A.W. BEATTIE CAREER CENTER

North Allegheny students attend A.W. Beattie Career Center in the afternoon only. The bus leaves outside the main lobby at 12:05 pm.

COMMUNICATION WITH PARENTS OR GUARDIANS

Student progress data is available to parents and guardians 24 hours a day, 7 days a week through the Tyler Parent Portal. Other forms of communicating student progress data can occur through telephone calls, conferences, emails, and written communications.

CREDIT RECOVERY AND GRADE REPLACEMENT

The North Allegheny School District does not maintain its own summer school. However, students who have failed a core academic course may wish to recover the credit using a summer school program approved by the District. Credit recovery is only for the purpose of replacing the failing grade with the letter grade "D" on the transcript.

In some cases students may wish to repeat an entire course for the purpose of improving their grade. Grade replacement can only be provided if the student is able to schedule the exact same course the following year. Credit is only earned once for the course. Students must receive approval from their counselor for this option prior to the student scheduling the course.

DETERMINATION OF CLASS RANK

Class rank is defined as a numerical calculation of a student's scholastic achievement in relation to their classmates'. Students are ranked from highest to lowest according to a student's cumulative weighted Quality Point Average (Q.P.A.). All courses taken from the beginning of Grade 9 to the end of the current term are included. Class rank is listed as two numerals. For example, 383/650 indicates that the student ranks 383rd from the top in a class of 650 students. Class rank is not reported on student transcripts and is not disclosed by the District to any outside agency; however, students are able to self-report class rank in their college essays and/or other document submissions if they believe disclosure will benefit their potential selection. The District generates class rank internally. This provides school counselors with the information necessary to confirm scholarship applications, military academy applications, etc., that may require class rank.

2016-2017 STUDENT/PARENT HANDBOOK

North Allegheny Senior High School

Overall Q.P.A. is calculated by the following method:

A. Calculate the cumulative Q.P.A.:

1. For each course taken since beginning Grade 9, multiply the credit value of the course by the appropriate letter-grade value (A=4,B=3,C=2,D=1,E=0) to obtain the number of quality points for each course.
2. Total the quality points for all courses taken, and total the number of credits for all courses taken.
3. Divide the quality point total by the total number of credits to obtain the basic Q.P.A.

B. Calculate the weight value for AP and Honors courses:

1. Multiply the total number of Honors credits by .125, per full credit course.
2. Multiply the total number of AP Credits by .25, per full credit course.
3. Add these two numbers together.
4. Divide by the number of semesters completed. This number will increase each semester until it reaches eight semesters upon graduation.
5. This number is the weight value.

C. Add the basic Q.P.A. and the weight value. This is the overall cumulative Q.P.A.

To determine the academic Q.P.A., follow the exact same procedure used to calculate the overall Q.P.A., but consider only English, mathematics, science, social studies, and world languages.

GRADING PROCEDURES

1. Philosophy

The evaluation process of North Allegheny School District is characterized by the staff's belief in the worth and dignity of each student. Our evaluation procedure is committed to encouraging student academic responsibility and the role of the learner in a school of excellence.

The evaluation of student performance and the means of reporting performance serve to monitor and assess academic progress and success. Students perceive success when standards set are challenging, consistent, and attainable. A grading policy provides them with these standards.

2. Grade Percentage Range

A = 100%-90%	D = 69%-60%
B = 89%-80%	E = 59%- 0%
C = 79%-70%	

The number of points within rating periods may vary; therefore, a final grade may not necessarily be an average of all other grades.

In courses where it is deemed appropriate by the the grades of O, S, and U will be used.

O=Outstanding
S=Satisfactory
U=Unsatisfactory

Any grading variation from the above must be approved by the NASH Administrative Team and shared with the students in writing at the beginning of the course. A copy will be on file in the Principal's Office.

3. Mid-term and Final Exams

Mid-term and final exams will be valued at no more than 20%.

2016-2017 STUDENT/PARENT HANDBOOK
North Allegheny Senior High School

4. Make-up Work

Work that is missed during an absence that is considered to be excused may be made up according to arrangements made between the student and the teacher. The responsibility of completing academic work due to excused absences lies entirely with the student and should be completed in a timely fashion. Students do not have the privilege of making up missed work due to unexcused absences and will receive zero credit.

5. Incomplete Grades

Incomplete grades are assigned in cases where students have had a prolonged absence and were unable to complete work required by the close of the report period.

6. Students in Special Education Programs

Class activities, exams, etc. may be adapted or accommodations made in order for students to meet course objectives. The classroom grading procedure will still apply.

GRADUATION REQUIREMENTS

Chapter 4 of the Pennsylvania Department of Education Regulations, 22 Pa. Code §4.1 et. seq., require at §4.24 that each school district specify requirements for graduation from High School in the strategic plan as mandated under §4.13(c)(4) of the regulations.

The graduation requirements for North Allegheny High School are established as listed below for the Class of 2016 and beyond. Through grades 9, 10, 11 and 12, a total of 24 credits shall include:

English	4.0 credits
Social Studies	4.0 credits
Mathematics	3.0 credits
Science	3.0 credits
Physical Ed (.5 credit per year)	2.0 credits
Health Education	.5 credit
Arts & Humanities Electives	2.0 credits
STEM Electives (Science, Technology, Engineering and Math)	1.0 credit
Other Electives	4.5 credits
Total Credits	24 credits

The graduation requirements for North Allegheny High School are detailed in Board Policy # 217. The Board requires that each candidate for graduation shall have earned twenty-four (24) credits. All other requirements are contained in required courses.

In order to be eligible for graduation, a student must demonstrate mastery of the Pennsylvania Academic Standards on the state-required Keystone Exams. If a student does not reach at least the "Proficient" level on a Keystone re-test in a particular subject, he or she must demonstrate mastery through another method in order to meet the graduation requirement. Students scoring below the top half of the scaled basic range will be scheduled into a "practicum course." Depending on the Pennsylvania Department of Education's decision with the Keystone Exams, the class of 2017 and beyond may have to complete a Project Based Assessment as determined by PDE. If no decision is made in regard to the Keystone requirement, successful completion of the requisite "practicum course" will satisfy the Keystone graduation requirement. Students with Individualized Education Programs (IEPs) can participate in the re-test option and participate in other supplemental instruction, as determined by the IEP Team.

INDEPENDENT STUDY

Independent Study is one possible way for students to satisfy their academic needs if they have encountered a scheduling conflict. When a requested course does not fit in a student's schedule due to a conflict, Independent Study may be available provided a teacher agrees to teach the course and principal has approved this method. Students may contract for no more than 1/2 credit of Independent Study per semester. AP courses are not eligible for independent study. Further information about Independent Study is available at the School Counseling Office or from the appropriate department chairperson.

2016-2017 STUDENT/PARENT HANDBOOK

North Allegheny Senior High School

INTERIM REPORTS

At the approximate midpoint of each nine weeks grading period, teachers may utilize an Interim Report. This is a numerically coded message from the teacher to the parent and student indicating the current status of certain behaviors or grades, or any significant change in the class performance, participation, or attendance of a student. Interims will also be sent if a student has an "E," or if the student has dropped two letter grades or upon student request. Interim reports are available and accessed via the Tyler Parent Portal.

NATIONAL HONOR SOCIETY

North Allegheny Senior High School includes a chapter of the National Honor Society. Students qualify for membership in the National Honor Society by displaying outstanding qualities in scholarship, leadership, character and service. A minimum Q.P.A. of an overall 3.95 is required for consideration for membership in addition to a minimum of 10 hours of community service outside of the school environment and demonstration of good character and leadership.

PROGRAM OF STUDIES

Detailed descriptions of all courses are contained in the Program of Studies for Grades 9-12. This online document is available to all high school students and can be found on the NA District Website.

SCHEDULE CHANGES

All students have an opportunity in the spring of each year to select courses appropriate to their needs. Students are also permitted to adjust their course selections prior to March 31, 2017. Following this date, all course selections will be considered final, and schedule change requests will only be considered for the following reasons:

- Mechanical error. Example: Course left off schedule.
- Level Changes. Example: Recommended and scheduled for Honors English 3 but unable to handle the course; needs to be rescheduled into Academic English 3 if seats are available in the class. Level changes can only occur within the first 40 days of school and if the student has a 79% or lower in their current class. After day 40, level changes will not be permitted.
- Schedule a course to meet graduation requirements. Example: Failed a required course and there is a need to drop an elective or study hall to reschedule the failed required course.
- Fill study hall. Example: Replace a study hall with an elective course. This is only permitted without adjusting any other parts of the schedule and there are available seats within the class. This must occur within the first five school days of the year/semester.

SENIOR STATUS

No student is considered to have senior status unless he/she is able to plan a schedule that will enable him/her to complete all graduation requirements within the academic year.

STUDENT RECORDS

A permanent record folder is maintained for every student from first through twelfth grades. The information contained in this folder includes name, date of birth, schools attended, final grades, standardized test scores, class rank, attendance and participation in extra-curricular activities.

The North Allegheny School Board has approved a policy on student records based on federal and state guidelines. In this policy, information concerning students is classified into two categories.

Category A -Information, which is contained on the student's cumulative folder such as, grades, dates of attendance, standardized test scores, etc.

Category B -Information that is not in the student's permanent folder such as discipline, health and psychological records and special education file.

Generally, only information in Category A is released to perspective employers and/or college admissions counselors. Information is released only with the student's written consent.

2016-2017 STUDENT/PARENT HANDBOOK

North Allegheny Senior High School

The student records policy includes a hearing procedure, which states the right of the parents, guardians or the student to challenge any of the items contained in the student's records. The policy also stipulates to whom information can be disseminated with or without the consent of parents, guardians or students. Copies of the complete student record policy are available in the school library, school counseling office and the administrative offices.

STUDY SKILLS

The students at North Allegheny Senior High School take pride in their accomplishments and strive to attain the highest possible levels of success. The following information provides some ideas and hints that may help you reach your goals and experience similar achievements in your classes.

A Student Who Studies Well:

1. Brings notebook, paper, pen, pencil, and other materials necessary to class.
2. Is an active participant in the classroom—listens well and takes part in discussions.
3. Asks questions if he/she does not understand the discussion or if he/she has a problem.
4. Plans his/her work and schedules time for homework each day; makes sure he/she understands the assignment before leaving class.
5. Uses what he/she learns; sees how each subject applies to the other.
6. Strives to do his/her best; not just enough to get by.

How to Study:

1. Attitude is important - think positively; work independently; seek help only when you have exhausted your own resources; then ask questions and use library resources.
2. Learning requires concentration—keep your mind on what you are doing. It will take less time.
3. At home, have a definite, well-lighted, quiet place to study. Unless you have a straight “A” average; you will have to study at home each day.
4. Read the entire assignment rapidly to grasp the basic content. Reread slowly to understand content, details, explanations, and directions. If the assignment is not written, make notes of your own—outline what you have learned.
5. If the assignment is a long-term project, do a little of it each day—don't let it go until the last minute. It will be easier and you will do a better job.

How to Take a Test:

1. Relax and forget other people.
2. Read the directions carefully and follow them.
3. Read the whole test first to see what is asked for and how to apportion your time.
4. Read each question twice before answering.
5. Think before you write.
6. Answer questions fully with information asked for.
7. Check your paper for spelling and grammar before submitting it to teacher.

WITHDRAWALS

Any student who plans to withdraw from North Allegheny Senior High School must schedule a conference with his/her counselor who will advise him/her of the details of the procedure for withdrawing.

ATTENDANCE INFORMATION

Inextricably linked to success!

GENERAL ATTENDANCE INFORMATION

North Allegheny School Board Policy #3130 clearly explains the District's policy regarding attendance and compliance with Pennsylvania state law. School age students enrolled in District schools are required to attend school on a regular basis in accordance with state law. Academic success depends on regular attendance and requires a continuity of instruction and classroom participation in order for students to meet required academic standards and to make consistent educational progress.

Attendance shall be required of all enrolled students in District schools during the days and hours that school is in session. Temporary absences may be excused by the building principal when receiving satisfactory evidence that the absence was necessary and acceptable according to state law.

2016-2017 STUDENT/PARENT HANDBOOK

North Allegheny Senior High School

The North Allegheny School Board considers the following conditions to constitute reasonable cause of absence from school:

1. Personal Illness – (Parental/guardian or medical note required on return.)
2. Medical - (Note from medical provider required.)
3. Funeral of Relative – (Parental/guardian note stating relationship of relative and date and time of funeral required on return.)
4. Family Educational Trip – (The parent/guardian must submit a written request for excusal at least five school days prior to the absence and the absence must be for 10 or less school days) See Page 19.
5. College Visit – (A maximum of five days annually unless approved by the principal. Requests will not be approved during the Keystone testing window.)
6. Religious Holidays - (Parental/guardian or clergy note required on return.)
7. Religious Instruction – (Pre-approval required, and no more than a total of thirty six hours of religious instruction will be approved annually.)

Any absence for reasons other than those listed above are considered unexcused. Students do not earn credit for assignments due assigned on the day of an unexcused absence.

For other conditions and requirements that may constitute reasonable cause of absence from school not covered in the above list, please refer to Board Policy #3130.

ABSENCES

When students return to school from an absence, they must present a written excuse from their parent/guardian to their homeroom teacher. Students with excessive absenteeism will be required to submit a medical excuse. Upon 18 days absent from school, a letter will be sent home informing the student and parents that medical documentation is required for any future absences during the school year. The excuse must state the reason and date(s) of absence. This excuse is required of all students, regardless of age. Failure to present a valid medical excuse will result in the absence being deemed unexcused and possible truancy.

A student whose absence is excused has the opportunity to make up work assigned during the period of his/her absence. It is primarily the responsibility of the student to arrange to make up work missed during their absence. This must be done on the day the student returns to school. The student will earn zero credit for assignments not completed.

CLASS ATTENDANCE

Students are expected to attend all of their classes. Students must receive permission from each classroom teacher for school-related class absences. Students missing classes are responsible for classwork.

Classroom teachers may limit the number of classes missed by a student from the same class for activities. When a class absence is requested by the student, the teacher will make a decision based on the student's present academic standing in class. The final decision rests with the principal.

Students must have prior permission from their content area teacher to be absent from study hall to take a test in a content area class. A school counseling visitation or being in another class without prior clearance constitutes a class cut.

Class cuts indicate a poor attitude on the part of the student toward the class and will jeopardize the successful completion of the course. Pupils are expected to follow their class schedule and/or program established by the building principal. Disciplinary consequences for class and study hall cuts are as follow:

1. *First Offense* – Student will earn a detention for each class cut, zero credit for assigned work missed, and parents will be notified (See Board Policy 3210 3.d).
2. *Second Offense* – Student will earn a suspension from school and parents will be notified by the principal.
3. *Third Offense* – Students will earn progressive detention/suspension days, possible social probation, and revocation of driving privileges. Parents will be notified by the principal.

Four or more class cuts on the same day will be viewed as an unexcused absence or truancy.

2016-2017 STUDENT/PARENT HANDBOOK

North Allegheny Senior High School

CLOSED CAMPUS

NASH is a closed campus. Students must be in areas assigned to them in their schedules. This includes the cafeteria or defined recreation area during lunch. Students found out of these areas will be treated under the class cutting provision of the attendance policy, and will earn an in-school suspension.

Areas off limits to students include, but not limited to:

- Physical Education locker rooms or stairwells leading to locker rooms, if the student is not scheduled for physical education.
- Student parking lot, without permission from a principal.
- Faculty parking lot.
- Outside the school either on the north, south, or west side of the building.
- Anywhere off school property, without permission from a principal.

Parents and students are reminded that students should not be on school property unless involved in authorized and supervised activities. All sleepovers are strictly prohibited.

DAILY ATTENDANCE AND ELIGIBILITY FOR AN EXTRA-CURRICULAR ACTIVITY

Students must be in attendance for at least four full instructional periods during the school day in order to participate in a school sponsored extra-curricular activity. This would apply to all school sponsored extra-curricular activities, practices, games, competitions, and performances. Failure to be in attendance for at least four full instructional periods will result in the student being ineligible to participate in any extra-curricular activity for that school day. Emergency situations or extenuating circumstances leading to absences greater than four full instructional periods must be reported to the school sponsor/coach and approved by the NASH Administrative Team prior to the absence in order for an exception to be considered.

EARLY DISMISSAL

All early dismissal requests must include student identification numbers and must be made in advance of the early dismissal.

Students may be dismissed early for valid reasons such as appointments, which cannot be made at any other time, or personal emergency. If a student wishes to be dismissed early from school, they are required to submit a request for early dismissal signed by a parent/guardian. This request is to be presented by the student at the attendance office by the end of homeroom period, 8:23 am, to be recorded. Students will receive an early dismissal pass to present to teachers upon request. Any student who leaves school early without following the early dismissal procedures will be held accountable for cutting class. No notes will be accepted after the fact.

All early dismissal requests will be verified by the attendance secretary via telephone communication with the student's parent/guardian. A valid working telephone number should be included on all written early dismissal requests for parent/guardian contact to be made prior to the student's early dismissal time.

Students who become ill or injured during the school day should report to the school nurse. If the nurse deems necessary, the student will be dismissed after parent contact is made. Students may not excuse themselves from school due to illness.

No student is permitted to leave school grounds without authorization from an administrator. This includes firefighters; if an emergency situation occurs in the community and student firefighters are needed, a certified supervisor must contact the school and clear any dismissal with an administrator.

EXCESSIVE ABSENCES FROM SCHOOL WILL RESULT IN SOCIAL PROBATION

Students who are absent from school more than 20 days during a semester, or 40 days during the full school year will be placed on social probation. The student will be prohibited from attending any school sponsored activities other than attending school during the course of the academic day 7:25 am to 2:15 pm. Any extenuating circumstances resulting in excessive absence must be reported to the high school administration. Social probation may be appealed to the NASH Administrative Team if such extenuating circumstances exist.

EDUCATIONAL TOUR, TRIP OR EXTENDED FAMILY VACATION – PLEASE REFER TO SCHOOL BOARD POLICY #3130

1. Request for Excuse

The parents or guardians of a student who wishes to have the student excused from compulsory school attendance in order to participate in an educational tour or trip must submit an application to the principal of the school in which the student is enrolled. Except for emergency situations, which must be fully explained, this request must be submitted at least five (5) calendar days prior to the date on which the student seeks to be excused for compulsory attendance. If a student will be absent for more than ten (10) school days, the student will be removed as a full-time student. The District will attempt to provide support to the student during the extended absence so that he/she is able to make successful reentry into the school upon their return. The family will need to reenroll the child upon return.

2. Administrator’s Discretion

The principal of the school shall exercise discretion in determining whether to excuse the student from compulsory attendance. Consideration shall be given to the length of the tour or trip, the number of requests made during the school year, and whether the educational tour or trip is likely to advance the educational growth of the student. It is the practice of the North Allegheny School District to discourage excused absences for educational tours or trips during the final two weeks of any school term. However, if permission is granted for an educational tour or trip, any part of which will cause the student to be absent during the final 14 calendar days of any school term, the building principal shall permit the student to make up examinations administered during the last two weeks of the term if, in the judgment of the building principal, the facts of the case so merit. The Board may limit the number and duration of tours or trips for which excused absences may be granted to a student during the school term. Educational Tours and Trips will not be approved during Keystone and/or PSSA testing windows if the student is scheduled to take the assessment. College Visits – maximum five (5) days annually unless otherwise approved by the principal.

3. Assignments

Upon request by a parent, guardian, or student, teachers shall submit a list of student assignments/responsibilities for the period of absence during an approved educational tour or trip. Assignments/responsibilities may be made either prior to the absence or upon return to school. All assignments/responsibilities which are to be completed shall be submitted to the teacher(s) upon return to school or within a reasonable period of time as designated by the teacher(s).

4. Return to School

The students shall return to school by the first scheduled school day after the excused absence or date previously specified by the building principal.

5. Failure to Comply

A student, who, after being denied an excused absence, persists in unexcused absence from school, shall be considered in violation of the compulsory attendance requirements set forth in the Public School Code of 1949, as amended, and shall earn a failing grade for the assignments/responsibilities made during the period of absence. A student, who, after being granted an excuse, fails to complete the assignments/responsibilities within a reasonable period of time as designated by the teacher, shall earn a failing grade for the incomplete assignments/responsibilities.

2016-2017 STUDENT/PARENT HANDBOOK
North Allegheny Senior High School

6. Athletic Eligibility

The Pennsylvania Interscholastic Athletic Association (P.I.A.A.) Constitution stipulates that:

A pupil who has been absent from school during a semester for a total of 20 or more school days, shall not be eligible to participate in any athletic contest until he has been in attendance for a total of 60 school days following his 20th day of absence, except that where there is a consecutive absence of five or more school days, due to confining illness, injury, or quarantine, such absence may be waived from the application of this rule by the district committee, if thorough and complete investigation warrants such waiver. Attendance at summer schools does not count toward the 60 days required.

Absence from school for an entire semester, or for several semesters, shall disqualify a pupil for the same period as stated in this section.

7. Implementation

This policy is designed for implementation at the building level. Frequent recurrence of requests for educational tours or trips during a school year shall result in disapproval, although the requested trip may be meritorious. This policy is designed to foster better school/student relationships rather than excessive absence.

FIELD TRIPS

Learning is not confined to a classroom, and the Greater Pittsburgh community offers many exciting and worthwhile learning experiences outside of the classroom. As a result, teachers sometimes take advantage of these opportunities by planning meaningful and relevant educational field trip experiences for our students. It is important for both parents and students to understand that student eligibility for a field trip is not automatic. Students must meet eligibility requirements and follow certain procedures before they will be permitted to participate. In order to be eligible for a field trip, students must complete a field trip form in which the following steps are involved:

1. The student's name, student number, and the date and times of the field trip are recorded.
2. The student must acquire permission from his/her parents to participate with a preliminary signature.
3. The student must acquire permission from each of his/her other subject area teachers in the form of signatures.
4. The form is then checked and approved by the teacher sponsoring the field trip.
5. The finalized form is turned into the sponsoring teacher.
6. Students will not be permitted to participate if the above field trip procedure/form is not completed. Any of the student's subject area teachers can deny the student permission to attend a field trip if one of the following reasons pertains to the student:
 - The student is attaining failing grades in that teacher's class.
 - A student has accrued 18 days of absence in that teacher's class (excused or unexcused). Extenuating circumstances may be reviewed by the building principal.
 - A student has been disruptive in that teacher's class.
 - The classroom activity in that teacher's class on the day of the field trip is of a specific type that cannot be made up.
 - Students who violate the North Allegheny School District's Drug and Alcohol Policy will not be permitted to attend any field trips or overnight school sponsored trips. Students who are suspended at the time of a field trip or school sponsored overnight trip will not be permitted to attend the field trip or the overnight trip.

PERFECT ATTENDANCE POLICY

Regular attendance to school is vitally important for success in school. Each student should strive for a perfect attendance record. The District recognizes students having perfect attendance records by awarding activity passes; however, more than a combined total of four excused tardies and/or early dismissals will void a perfect attendance record.

2016-2017 STUDENT/PARENT HANDBOOK

North Allegheny Senior High School

STUDY HALL ATTENDANCE

Students are expected to attend and use all study hall time productively.

Students wishing to be excused from study hall for a particular purpose must follow this procedure:

- Obtain a note from the teacher who will be supervising the student.
- Obtain a note from the subject area teacher requesting the student to be excused from the study hall to the library for research.
- Present the note to the study hall teacher at the beginning of each study hall period.
- The study hall teacher may then grant permission for the student to see another teacher or visit the library. Students will not be excused to be in an area that is unsupervised.
- Any student who wishes to be assigned into an area other than the room assigned for their study hall period must make a request for a schedule change in the School Counseling Office. If the request is approved, the assignment will be made permanent and the student will be added to the roster of the assigned teacher. The student must report to that teacher daily throughout the semester.

TARDY PROCEDURES

Students are expected to be in the building and in their homeroom by the tardy bell at 7:25 am. Any student arriving to the building after the tardy bell is required to report immediately to the Attendance Office to obtain a tardy slip in order to be admitted to class.

Tardiness is excused in cases of illness, doctor appointment, bus delays, or extreme emergencies as determined by the building principal, and should be accompanied by a note from a parent or guardian.

Penalty for excessive tardiness:

1. At the third and any subsequent instance of unexcused tardiness to school, a detention will be earned. Parents will be notified of the detention through the mail.
2. At the eighth and subsequent instance of unexcused tardiness to school, the student will be suspended.
3. Unexcused tardiness that extends more than 20 minutes into first period will be treated as a class cut, and the school discipline policy for cutting class will be followed accordingly. Unexcused tardiness that extends more than 20 minutes into additional classes will also be treated as a class cut(s) and the student will earn a detention for each period missed.
4. Any student discipline earned for unexcused tardiness to school will also affect student driving privileges.

Failure to submit a tardy excuse signed by a parent/guardian within three days of the tardy will be considered an unexcused tardy.

Students with excessive tardiness will be requested to submit a medical excuse for any tardiness to be deemed excused. Students and parents/guardians will receive a letter detailing this medical excuse requirement.

TRUANCY

Truancy is defined as absence from school without the permission of the parent and school officials. The District provides the following discipline for students who are truant:

1. **First Offense** - The principal or the assistant principal will assign detention equal to the amount of time missed and will contact the parents either by letter or telephone and advise them of the policy.
2. **Second Offense** - The principal or the assistant principal will assign progressive discipline to the student. Parents will be notified by letter.
3. **Third Offense** - The principal or the assistant principal will assign progressive discipline to the student. Parents will be notified by letter. If the situation does not improve, charges with the local District Justice will be filed by administration.
4. **Fourth Offense** - The disciplinary action will be the same as on the third offense and a recommendation will be made to the School Board to take action in accordance with district policy.

UNEXCUSED ABSENCES BY STUDENTS AGES 17 AND OLDER

An unexcused absence is the absence of a pupil, due to parental neglect, illegal employment, or truancy. Excuses of chronic, irregular nature should be investigated by the principal and their designee to determine what unusual circumstances exist.

Students and parents will receive notice of unexcused absences by mail. Discipline earned for unexcused absences will be progressive at the discretion of the principal. The student shall receive zero credit for any work due or assigned on the day of an unexcused absence.

CONDUCT INFORMATION
North Allegheny School District Code of Conduct

The North Allegheny School District Code of Conduct can be found on the District's website and is printed as a part of the District's Activities Calendar:

http://www.northallegheny.org/cms/lib9/PA01001119/Centricity/Shared/documents/code_of_conduct.pdf

Information about student conduct presented in this handbook is intended to expand upon some aspects of student conduct stated in the code. Other information in our handbook is specific to this particular building.

All students are expected to conduct themselves in a proper manner at all times. The student's individual dress, personal appearance and behavior must indicate both self-respect and respect for others. Any conduct, which is inappropriate, offensive to others or disrupts the learning process, will be considered unacceptable and appropriate disciplinary action will be taken. Students are expected to behave with respect, kindness, and consideration toward one another and also toward all members of NASD including substitute teachers. Violation of school policies and procedures will result in appropriate disciplinary action. This may include detention, suspensions and/or removal from school.

To instruct is an easy matter; but to educate requires ingenuity, energy and perseverance without end.

The Responsibility to understand and utilize the school's procedures for resolving concerns, conflicts and disagreements.
9. The Right to communicate discontent with actions affecting them and to seek a change in rules through established procedures.

ATHLETIC COURTESY (P.I.A.A.)

Athletics should foster clean sports. It is the privilege and duty of every person connected with athletics to exemplify these principles in their own actions and earnestly advocate them before others. The spectators at the event or contest are as much a part of sports as the athletes and they are to adhere to all rules, standards, and by-laws.

- No advantages are to be sought over others except those in which the game is understood to show superiority.
- Unsportsmanlike or unfair means are not to be used even when they are used by opponents.
- Visiting teams are to be honored guests of the home team and should be treated as such.
- No action should be taken nor course of conduct pursued, which would seem unsportsmanlike or dishonorable if known to one's opponent or the public.
- Remember that a student spectator represents his school as does the athlete and he or she is responsible for adhering to these rules and regulations.
- Any spectator who evidences poor sportsmanship or behaviors that endangers others will be requested to leave and may not attend future contests.
- Objects are not to be thrown in or from the spectator stands.
- Spectators are to remain in the stands while the game is in session-which includes time-outs and between quarters.
- Decisions of the officials are to be abided by.
- Officers and opponents are to be regarded and treated as honest in intentions.
- Good points in others should be appreciated and suitable recognition given.
- The practice of "booing" or any other types of derogatory cheer towards the opponents or the officials is regarded as discourteous and unsportsmanlike-like and is not acceptable.
- No sirens, whistles, portable stereos, or any other noise makers will be permitted. No banners or signs of any type shall be displayed. The game manager will confiscate such articles.

BEHAVIOR OF STUDENTS AT EXTRA-CURRICULAR ACTIVITIES

North Allegheny School District and Western Pennsylvania Inter-Scholastic Athletic League accepts and expects exemplary standards for students at extra-curricular activities, both in their participation and as spectators. Any behavior that is a violation of the North Allegheny Code of Conduct, WPIAL, and/or student handbook or school rules will earn school issued progressive discipline.

Minor Misbehavior: Will result in a range of responses from correction to removal from the activity and/or possible disciplinary consequences.

Behavior which endangers the health, safety, and welfare of students and/or others: Will result in school discipline and social probation.

Behavior which is not only a violation of school policy or endangers the health, safety, and welfare of others, but also violates the law: Will result in school discipline, social probation, and the involvement of police and/or magistrate.

BUS TRANSPORTATION

A complete set of rules is posted in each bus. Please cooperate in helping to maintain safety on our buses.

Students riding a school bus are subject to the direction and control of the school bus driver. The following behavioral infractions could result in the loss of bus riding privileges to and from school, during field trips, while riding to and from class and sporting events, and could result in other forms of progressive school discipline:

- Changing seats while the bus is in motion.
- Distracting the bus driver.
- Excessive noise.
- Extending body parts outside of the school bus window.
- Jeopardizing the safety and welfare of one's self or others.
- Throwing objects.

Students should leave home early enough to meet the bus at their scheduled stop. Weather or traffic conditions may occasionally prohibit the buses from maintaining their schedules. In good weather students are expected to wait 30 minutes for the bus. If a student misses the bus, parents are responsible for transportation to school. The bus driver shares the mutual interest of parent and teacher for the safety of the student.

The Motor Vehicle Code of Pennsylvania determines load limits for buses. Therefore, it is imperative that students do not transfer to other buses except in emergencies.

Each student is assigned to a particular bus stop and a specific bus. No change relating to the stop or the bus is to be made unless it is an emergency and then only if the proper procedure is followed. That consists of a written request by the parent or guardian indicating the student's name, school reason for the request and details of change. Please specify bus stop and/or bus number that the student will use. This request should be given to the principal. After the principal's approval, it must then be forwarded to the Coordinator of Transportation for approval. Only after this procedure is followed, and approval given, will a student be permitted to change bus stops and/or buses. If a written request is not feasible, a telephone call to the transportation office may be sufficient.

COMPUTER, TELECOMMUNICATIONS AND INFORMATION TECHNOLOGY USAGE (STUDENTS)

This policy establishes the philosophy, governing rules, training requirements and parental approval requirements related to the District's computer technology. Please refer to the NASD Code of Conduct for the complete Acceptable Use Policy (AUP) and the Anti-Bullying Policy.

Failure to serve detention as scheduled by the Nash Administrative Team will result in progressive student discipline. Transportation to and from detention is the responsibility of the student.

Academic dishonesty includes, but is not limited to reproducing information from the internet, written text without proper citation, illegal use of copyrighted materials, falsification of data, any form of cheating on exams, tests, quizzes, laboratories, essays, or homework. RESPONSIBILITY OF STUDENT TO REMAIN IN DESIGNATED AREAS

As a matter of safety and welfare, students must report to and remain in areas assigned to them by their schedule. It is especially important that students avoid areas that are off limits.

Areas that are off limits during the school day:

- Cafeteria (Unless scheduled for lunch)

Students are expected to be at locations designated by their assigned schedule. Failure to follow these guidelines will result in progressive school discipline.

USE OF ELECTRONIC SURVEILLANCE SYSTEMS

In order to promote a safe school environment, the North Allegheny School District has installed electronic surveillance systems to monitor activity on school property and in school vehicles as one measure of prevention and protection. The use of video recordings obtained by surveillance equipment is subject to District policies addressing the confidentiality of student and staff records.

Information obtained from electronic surveillance systems may be used by the administration to assist in an investigation to determine whether a student has committed an unlawful or an unsafe act. Violations of the Code of Conduct will result in appropriate disciplinary consequences.

Any activity detected through the use of surveillance cameras that might constitute a violation of the law will be reported to the appropriate law enforcement agency.

STUDENT SEARCHES

Board Policy #3590

The North Allegheny School District strictly prohibits the possession, conveyance, use or storage of contraband including drugs, alcohol, weapons or other materials possessed by a student in violation of Federal or State law or school policy. The North Allegheny School District believes that the elimination of drugs, alcohol and weapons in public schools is important to the welfare and safety of students. School officials may conduct a reasonable search of a student and their personal belongings. Student lockers and student parking lots are owned by the North Allegheny School District. Therefore, the school exercises exclusive control over lockers and student vehicles in the parking lot. Students should not expect privacy regarding items placed in their lockers or in their vehicles as random searches of lockers and the student parking lot may be conducted by school officials. All students and their parent/guardian are required to sign a written acknowledgment of receipt of this notification. No additional notice to students is required prior to a random or comprehensive search of students' lockers or vehicles. Any contraband found in a locker or vehicle will be considered in the possession of the student assigned to the locker or owner of the vehicle. In conjunction with law enforcement officials, locker and parking lot searches may occur through the use of trained dogs.

WHAT HAPPENS IF THE POLICY IS VIOLATED?
