TITLE:	STUDENT FUNDRAISING

REVISED:	

229 - STUDENT FUNDRAISING

Section 1. Purpose

The Board acknowledges that solicitation of funds from students must be limited because compulsory attendance laws make the student a captive donor and such solicitation may disrupt the educational program of the schools.

Section 3. Authority

The Board prohibits the collection of money by a student for personal benefit in school buildings, on school property or at any school-sponsored activity. District students are not obligated to conduct door-to-door sales for fundraising activities.

- b. Collections by students on behalf of school organizations outside the schools may be permitted only by the Superintendent or designee.

- d. The Superintendent or designee shall develop administrative regulations to implement this policy which:
 - 1. Limit the number of fundraisers in a year for any group.
